
Play Golf, Have Fun and Change Lives:

Join us **September 29th, 2021** for our 3rd Annual **New Visions Toronto & Corbrook** Awakening Abilities Charity Golf Tournament.

While everyone has felt the effects of the COVID-19 pandemic, we know that more vulnerable individuals, especially those with a developmental disability, have particularly struggled. At New Visions Toronto and Corbrook, we have been focused on ensuring that every person we support has stayed healthy and safe, and remained as active as possible during these challenging times.

We have all been adjusting to the new ever-changing restrictions and guidelines that have been implemented. The people we support currently continue to face the suspension of their day services, which greatly reduces their engagement and involvement with their communities. Additionally, the need to physically distance and isolate from families and friends remains exceptionally difficult.

At New Visions Toronto and Corbrook, we receive much of our basic funding from the government. However, many of our programs and services rely heavily on fundraising initiatives. Last year our annual Golf Tournament, the largest fundraiser of the year, was cancelled due to COVID-19.

Now that golf courses have reopened, we have resumed planning and preparing for our 2021 Golf Tournament! Even though there will be format changes in order to comply with all provincial guidelines, this tournament is guaranteed to be just as much fun as the previous years.

This year, with your help, our goal is to raise \$100,000 to fund program enrichment, accessible educational enhancements, and participant entry for outings and activities the people we support would otherwise be unable to attend. We hope that all of our generous supporters will be able to join us again this year. As reaching our maximum capacity will likely be a challenge this year, please consider bringing a friend or participating as a foursome.

Registration is now open for both golfers and sponsors (please see the attached fillable PDFs) Also note that complete refunds will be provided if the tournament is unable to proceed. If you are unable to participate if you pre-register and the tournament is cancelled, consider making a 100% tax receipt eligible donation. Every gift makes a tremendous difference.

We hope that you are well and that our wonderful community will be able to return to a 'new normal' very soon.

Thank you for considering participating, and stay safe!
